President's Message

It gives me immense joy to present the Annual Report of Seva Sangama Development Society, Kalaburagi for the year 2024-25. This year has been yet another step forward in our mission to serve the most vulnerable and marginalized sections of society with dignity, compassion, and commitment. Our work continues to focus on creating opportunities for children, women, youth, and communities so that they may lead empowered and meaningful lives.

Seva Sangama has remained steadfast in its efforts in areas such as early intervention and early education for children with developmental needs, community health, women empowerment, livelihood promotion, and sustainable development initiatives. Each of these programs reflects our belief that true change begins when people are given the tools and support to realize their potential.

Looking ahead, our vision is clear: to strengthen and expand our reach so that no child is left behind in education and no family is left without hope of progress. We aspire to deepen our early intervention services, build stronger community-based networks, and ensure that every program we undertake is rooted in sustainability and long-term impact.

As President, I take this opportunity to express my deepest gratitude to our Director, whose guidance and vision have steered the Society with clarity and purpose, and to our dedicated staff members, who have worked tirelessly in the field with commitment and compassion. I also extend my heartfelt thanks to our partners, donors, and well-wishers, whose constant support and encouragement have made our journey possible. Together, they have formed the backbone of Seva Sangama Development Society, and without their contributions, our achievements would not have been possible.

Looking ahead, we remain firmly committed to our mission of service. The challenges in society are many, but so are the opportunities to make a difference. With continued collaboration, dedication, and faith, we will strive to expand our reach, deepen our impact, and walk hand in hand with the vulnerable, ensuring dignity, justice, and hope for all.

With sincere appreciation and warm regards,

Yours Sincerely

✠ **Most Rev. Dr Robert M. Miranda**

President

ORBIT Organization Humnabad, Bidar

Director's Message

It is with great joy that I present this year's Annual Report of the **Organization of Bidar Integral Transformation (ORBIT)**. This report highlights our continued commitment to serving the vulnerable across Bidar district—work that has earned us recognition and appreciation from government departments, partners, and the communities we serve.

During the year, ORBIT strengthened and expanded several key programs addressing the social, economic, and health-related needs of the district. Our **Women Empowerment Program** continued to build confidence and economic independence among women through skills training, awareness sessions, and community support.

The **Navajeevana Mental Health Program**, supported by the **Azim Premji Foundation** and **The Live Love Laugh Foundation**, made significant strides in promoting mental well-being. Through Medicine, counseling, outreach, and awareness initiatives, we reached individuals who often face stigma and silence, ensuring they receive timely help and support.

Our **Samrudi Entrepreneurship Program** helped many women explore livelihood opportunities, build small enterprises, and gain financial stability. Alongside this, the **Sparsh Cancer Awareness and Screening Program** played a vital role in promoting early detection and preventive health. Screenings, medical referrals, and awareness campaigns helped save lives and reduce health vulnerabilities in rural areas.

The **Early Intervention and Early Education Program** ensured that young children with developmental delays receive timely support, therapy, and inclusive learning opportunities. This program continues to provide families with guidance and hope during critical early years.

Through the **Swaprerit HIV Program**, ORBIT provided counseling, linkages to treatment, and nutritional and emotional support to individuals and families affected by HIV, helping them live with dignity and resilience.

Our commitment to environmental protection was further strengthened through the **Ecology Program**, which encouraged sustainable practices, afforestation activities, and community participation in safeguarding the environment.

Across all these programs, our mission remains rooted in compassion, service, and transformation. None of this would have been possible without the dedication of our staff, field workers, volunteers, community leaders, and the generous support of our partners and donors.

As we move forward, ORBIT remains committed to building a healthier, more inclusive, and empowered Bidar. Together, we will continue to bring hope and meaningful change to those who need it the most.

Yours Sincerely
Rev. Fr Victor Anil Vas
Director, ORBIT

Introduction

This year marks a significant milestone in the journey of ORBIT (Organization of Bidar Integral Transformation) as we celebrate its Pearl Jubilee, commemorating 30 years of dedicated service towards the integral transformation of the marginalized and underprivileged communities in Bidar.

What began as a humble initiative has today blossomed into a dynamic and impactful organization that continues to stand as an ideal of hope, empowerment, and justice. Over these three decades, ORBIT has tirelessly worked to uplift lives through various programs focusing on women empowerment, livelihood promotion, education, health, environment, and community development.

The Pearl Jubilee year is a time of celebration, a moment of deep reflection and renewed commitment. It inspired us to go back to our roots, honour our journey, and prepare our path forward with greater energy and purpose.

As we present this Annual Report, we invite you to join us in celebrating the lives touched, the challenges overcome, and the dreams nurtured through ORBIT's mission. We extend our heartfelt gratitude to all our partners, supporters, and community members who have journeyed with us. With faith in our collective strength and the guidance of Divine Providence, we look forward to continuing this transformative mission in the years to come.

A Glance at ORBIT (Organization of Bidar Integral Transformation)

Established in 1993, ORBIT (Organization of Bidar Integral Transformation) is a registered non-profit organization of Gulbarga diocese. It emerged as a response to the needs and problems of the marginalized and economically backward people of Bidar, Kalburgi, Vijayapura and Yadgir district. Presently, the organization works in over 800 villages of 8 Taluks in Bidar and Kalburgi.

Vision: A transformed society based on equality, justice and love

Mission: To facilitate the empowerment of the marginalized and uplift the economically backward people through participatory actions and capacity building with collaborative social actions leading to self-dignity and self-reliance.

Goals

- Enhanced dignity, quality of life and participation in local self-governance for socially and economically backward women through integrated development.
- Children enjoying a safe and secure environment exercising their Rights and accessing inclusive development.
- Upholding dignity of life and Mainstreaming Persons with disability and HIV by increasing access to opportunities and entitlements along with promotion of education, skills and leadership.
- Protection and sustainable management of Natural Resources by caring for Mother Earth.
- Self-sustained organization for Sustainable Development.

PROGRAMS

- Women Empowerment Program (WEP)
- Women in Micro Enterprise (SAMRUDI)
- Navajeevana – Community Based Re-integration of People with Mental Illness supported by Azim Premji Foundation
- Early Intervention & Early Education
- Navajeevana – Community Based Re-integration of People with Mental Illness supported by Live
- Love Laugh Foundation
- SABALA- Skill Development
- SPARSHA Cancer Awareness Program
- Special Programs
- Jan Jagruti Manch - Need to added
- Supported by Live Love Laugh Foundation – need be together

WOMEN EMPOWERMENT

The program covers 5160 of women belonging to 344 Self Help Groups (SHGs) in 52 Grama Panchayats in Chitguppa, Humnabad, Aurad, Hulsoor, Balki, Bidar and Basavakalyan taluks of Bidar district. The target groups of the program include rural women and adolescent girls.

Objectives

- Improve the level of literacy of adolescent girls and women
- Increase the number of trained women in book keeping of Self Help Groups (SHGs) of women
- Strengthen women with knowledge and awareness of basic rights of their own, their families and villages
- Reduce the number of women and adolescent girls with ignorance on nutrition, health and sanitation
- Promote Cluster and district level federations for economic self-sustainability of SHGs
- Educate women on enhancing livelihood through entrepreneurship

NAVAJEEVANA – Community Based Reintegration of Persons with Mental Illness. (Supported by Live Love Laugh Foundation)

Goal /Impact statement

1200 identified persons with mental illness from poor communities of Bhalki, Aurad and Basavakalyan Taluqs of Bidar District with severe or common mental illness access treatment (from DMHP), stabilized and at least 30% of them practice livelihood activities thereby interested in the community by March, 2028

Objectives

1. Identify all the people with mental illness in Bhalki, Aurad and Basavakalyan taluqs of Bidar Districts to ensure treatment and reintegration for all the identified PWMIs and families and to implement, promote and sustain District mental health program in the district.
2. To capacitate staff of Navajeevana, Community mental health workers, teachers and to sensitize secondary stakeholders and Govt Dept staff for the effective implementation of the mental health program in three taluqs of Bidar district. This will result in creating sustainable model for carrying on the Navajeevana and DMHP program during phasing out of the program.

WOMEN IN MICRO ENTERPRISE (SAMRUDI)

In collaboration with SAMRUDI - Rural Upliftment Foundation, Bangalore, this program is organized by ORBIT in Bidar, Balki, Basavakalyan, Chitguppa, Hulsoor and Auradtaluks of Bidar district. Members of democratically governed women's organizations own and control SAMRUDI. The program envisages creating entrepreneurs among rural women to improve the standard of living of their families.

OBJECTIVES

- Empower women to demand their rights and fight against injustice
- Increase the number of rural women receiving business counseling
- Provide technical support and promote entrepreneurs among rural women
- Support women financially to raise their monthly individual income

ACTIVITIES

- Entrepreneurship Awareness Program (EAP)
- Entrepreneurship Development Program (EDP)
- Loan distribution

SPECIAL PROGRAMS

International Women's Day Celebration

ORBIT celebrated International Women's Day 2024 across six taluks of Bidar District under the theme *"Gender Equality through Economic Empowerment."* Around 1,825 women and several dignitaries participated in the event, which featured cultural programs, discussions, and workshops. Five women were honored for their outstanding contributions to community development. The celebration highlighted ORBIT's commitment to empowering women and promoting gender equality through economic and social inclusion.

Staff Orientation Program at ORBIT, Humnabad

An orientation program for the staff of ORBIT was held at Humnabad, marking an inspiring beginning to the new phase of service and commitment. The session was inaugurated by the Bishop of Gulbarga, who addressed the gathering with his encouraging message, motivating the staff to uphold the values of compassion and dedication in their work. Following the inauguration, Fr. Vincent Pereira led an engaging and insightful session focused on the vision and mission of ORBIT. He highlighted how St. Mother Teresa's life and service should serve as a guiding inspiration for everyone in reaching out to the marginalized and the needy in society. Fr. Vincent emphasized the importance of active listening, empathy, and practical approaches in responding to the needs of others. The orientation provided the staff with renewed motivation and a deeper understanding of their role in building a more compassionate and service-oriented community.

Death Anniversary of St Mother Theresa (Patron Saint of ORBIT) Blood Donation Camp

ORBIT Humnabad organized a blood donation camp at its premises on the occasion of the death anniversary of St. Mother Teresa, the patroness of ORBIT. The event was a tribute to her legacy of compassion and service to humanity. Numerous volunteers, including ORBIT staff and local community members, participated in the camp, contributing to the noble cause of saving lives through blood donation. The camp was conducted in collaboration with local health authorities, ensuring proper medical supervision and safety measures. The event not only honored the memory of St. Mother Teresa but also emphasized ORBIT's commitment to continuing its mission of selfless service to society.

Gender Equality Training Program

A specialized training program on Gender Equality was organized at ORBIT for the Gender Equality Motivational Team, led by Mr. Hanumanth, Lecturer at Basaveshwar College. The session aimed to enhance participants' understanding of gender-related issues and equip them with practical strategies to promote equality within their communities. The training focused on women's empowerment through education, economic independence, and legal awareness, while encouraging participants to challenge social norms that sustain discrimination. The program reaffirmed ORBIT's commitment to building a just and inclusive society where gender equality is both a core value and a lived reality.

Environment Day Celebration

ORBIT celebrated International Women's Day 2024 across six taluks of Bidar District under the theme *"Gender Equality through Economic Empowerment."* Around 1,825 women and several dignitaries participated in the event, which featured cultural programs, discussions, and workshops. Five women were honored for their outstanding contributions to community development. The celebration highlighted ORBIT's commitment to empowering women and promoting gender equality through economic and social inclusion.

Christmas Celebration at ORBIT: A Festival of Unity and Harmony

On December 18, 2024, ORBIT hosted a heartwarming celebration of Christmas through an Inter-Religious *Sauharuda Kootaa* gathering that beautifully embodied the message of peace, love, and

togetherness. The event brought together people from various faiths and communities to share in the festive spirit and strengthen the bonds of mutual respect and understanding. The celebration featured with prayers, vibrant cultural performances and inspiring messages that echoed the universal values of compassion, kindness, and goodwill. The atmosphere was filled with joy and warmth as participants celebrated not only the birth of Christ but also the spirit of unity that Christmas represents. Through this inclusive initiative, ORBIT reaffirmed its dedication to fostering interfaith dialogue and nurturing a culture of harmony and friendship. The evening stood as a shining reminder that, beyond religious boundaries, it is love and humanity that connect us all truly capturing the essence of the Christmas season.

Cancer Awareness Program by ORBIT

The Organization for Bidar Integral Transformation (ORBIT), with the support of Caritas India, the Indian Cancer Society and the District Health Department, Bidar, organized a series of Cancer Awareness Programs across various locations in Bidar and Humnabad. These initiatives aimed to educate the public about the causes, prevention, and early detection of cancer, emphasizing the importance of healthy lifestyles and regular medical check-ups. The programs brought together health officers from the District Health Department, the Director and staff of ORBIT, as well as students from different schools and colleges in Bidar. Through interactive sessions, discussions, and informative presentations, participants were encouraged to spread awareness within their communities and support the fight against cancer. The collaborative effort reflected ORBIT's continued commitment to promoting health, awareness, and social well-being in the region.

Conclusion

The year 2024–2025 has been a journey of growth, and renewed commitment for ORBIT. Amidst challenges, we remained steadfast in our mission to empower the marginalized, especially women and children, through community-led development. The achievements outlined in this report are a witness to the collective efforts of our dedicated staff, community leaders, partners, and well-wishers.

As we look ahead, we reaffirm our vision of a just and inclusive society. With hope in our hearts and strength in our unity, we move forward deepening our roots in the communities we serve and widening our reach to bring transformation where it is most needed.

Together, let us continue to be agents of change and instruments of hope!
